To: Engineering Society Members
From: Mike Brown, Vice President (Academic) 2009-2010
Subject: Weekly Summer Report #6
Date: June 15, 2009

What tasks have you done over the past week?

- Read more on student aid: Continued reading on aid and scholarships available to engineering students in particular.
- Continued dealing with BED Fund: Still working on reimbursements, should hopefully be wrapped up within the next few weeks.
- Met with AMS individuals (VP UA & President): Met with these individuals to discuss current events on campus including relevant academic issues. Didn't get to meet with AAC, as she was still at the CASA planning session.
- Updated faculty board policy: Updated policy referencing old engsoc structure, developed some proposals to deal with unusual cases of supplemental exams being denied, will bring forward policy in the fall.
- Prepared questions for faculty board: Prepared some questions for faculty board this week, particularly dealing with the change to a gpa based transcript.
- Weekly EngSoc bbq: Huge turnout this week, did the usual advertising via facebook and AMS email.
- Guide to classroom/registration: Updated as much as I could without the release of the new calendar.

What do you want to accomplish in the next week?

- BED Fund, BED Fund, BED Fund!: Still dealing with getting departments to make their purchases.
- Meet with AAC: AAC should be back this week, will debrief regarding CASA.
- Faculty board: Faculty board is on Wednesday, nothing too major should be going down, but I'll be preparing for the meeting/contacting the reps with relevant info.
- Meet with Dean: Meeting with the Dean on Tuesday, particularly dealing with curriculum development.
- Tuition investigation: Begin research for guide to tuition.
- Website development: Continue to update academic section of the website.
